

Serono Symposia International Foundation (<http://www.seronosymposia.org>) has submitted the main congress program of the **“6th World Congress on Men's (WCMH)”** (Vienna, Austria – October 9-11, 2009) for accreditation by the European Accreditation Council for Continuing Medical Education (EACCME).

Serono Symposia International Foundation (<http://www.seronosymposia.org>) has applied to the **Royal College of Physicians, London, UK** for CME accreditation of the **“6th World Congress on Men's (WCMH)”** (Vienna, Austria – October 9-11, 2009).

This program **“6th World Congress on Men's (WCMH)”** (Vienna, Austria – October 9-11, 2009) has been submitted for CME accreditation from the **Italian Ministry of Health**.

The CME accreditation is valid for the main congress program only and does not cover the company-sponsored symposia.

**ISO 9001 Certification:**

Serono Symposia International Foundation has received the ISO 9001 Certification of Quality Management Systems. This Quality certification requires all participants to fill in a scientific questionnaire and to evaluate the overall quality of the event. Questionnaires will be distributed onsite during the congress.
